OBJECTIVE

I'm a 23 years old 3D Visualizer from Ahmedabad (Gujarat), India. Highly motivated 3D Visualizer with 3+ years of experience seeking a challenging opportunity to leverage expertise in scene development, PBR texturing, lighting, and rendering to create stunning architectural visualizations. Adept at collaborating with designers and architects, I possess a meticulous eye for detail and a passion for pushing boundaries to produce impactful visuals that drive project success.

SKILLS

Autodesk 3Ds Max (*Designing & Scripting*)
Autodesk Maya
